

## Robert Asprins Dragons Run

In New York Times bestselling author Robert Asprin and Jody Lynn Nye's newest Big Easy dragon tale, Griffen McCandles is about to give the forces of evil a run for their money. Griffen already has his hands full running his gambling operation in New Orleans and dealing with his dragon heritage. Now his pregnant sister, Valerie, is missing—possibly kidnapped—and his uncle, Malcolm McCandles, has flown into town for a mysterious meeting with a powerful man who's been dead for almost eight decades. And Griffen certainly hasn't got the time to protect Councilwoman Penny Dunbar, a dragon who's running for governor of Louisiana if malign forces don't take her out first. Griffen learned a long time ago to play the hand fate has dealt him, but with many lives at stake—including Vals' unborn dragon—she's hoping for an ace in the hole.
