

# A Tonalist

In a combination of discourse and lyric, paragraph and couplet, Bay Area poet and novelist Laura Moriarty explicates the poetics of a group of writers that resists categorization. This book-length essay uses the work of the California Tonalist painters to articulate new understanding and new possibilities for poetic practice.

Tonalism. Tonalism is an American artistic movement that was started in the late 1800s. The movement is used to describe the dark landscapes that were said to view cows watering in a Tonalist landscape by William Keith on artnet.
