

## American Werechaun in Dublin

Book One in the Werechaun Chronicles! Follow Fi and Kyle on their trilogy of adventures, continued with Nightmare on Clover Street and Friday the 17th. American Werechaun in Dublin Kyle Monaghan has a problem. Sometimes, on nights of the full moon, he blacks out. When he wakes up he finds gold coins in his pockets. It sounds like a good problem to have, but he lives in fear of arrest or worse. This year he decided to travel back to his grandfathers home in Ireland to see if he can solve the riddle. The last thing he expected was to step into the middle of a clan war with all of the gold at stake.
