

Write and Draw: Dinosaurs (Wipe-Clean Stencil Books)

Children can practice writing while learning interesting facts about their favorite dinosaurs. Write and Draw Dinosaurs includes a wipe-clean pen, built in stencils, and wipe-clean pages that can be used to practice writing. Each entry includes a dinosaur illustration, interesting facts, and the dinosaurs name spelled out (using the classic handwriting tablet format) for kids to trace, wipe clean, and then trace again. Wipe-clean pages in the back of the book provide more writing and drawing practice with an A-to-Z listing of dinosaur names, a full alphabet, and a blank page for getting creative.
