

Get to know geek extraordinaire Lexi Carmichael, her friends and her more-than-friends in three fast-paced, high-tech mysteries. Includes bonus prequel novella! **NO ONE LIVES TWICE** Lexi Carmichael spends her days stopping computer hackers at the NSA and her nights avoiding her mother and a slew of blind dates. Even though she works for a top-secret agency, her life is anything but exciting. Until the day that two gun-toting thugs appear and her best friend vanishes. Enlisting a team of geniuses—plus a sexy government agent and a rich, handsome lawyer who both have the hots for her—Lexi must navigate a maze of leads to find her friend and save the day. **NO ONE TO TRUST** A series of extraordinary events prompts Lexi to leave government life behind for a fresh start with a brand-new company and an incredibly sexy boss. But when their first client goes missing and his staff think Lexi is involved, she'll have to use her best geek skills—and some help from her friends—to solve the mystery and keep herself safe. **NO PLACE LIKE ROME** Italy might seem like a long way to go to hide after a disastrous date. But when sexy uberhacker Slash (no, that's not his real name) asks Lexi Carmichael to go with him to Rome on an investigation, the timing is sort of perfect. Her messed-up love life becomes the least of her worries, though, thanks to a dead body, a near-kidnapping and the discovery of a top secret encrypted file that not even she can hack. Racing against time, Lexi calls in her genius friends to help uncover a secret—one that someone would kill to keep. **NO MONEY DOWN**—bonus prequel novella! Lexi + the legendary Zimmerman twins = a friendship made in geek heaven. It all started back when she worked for the NSA...
