

Maddock and Bones set off on their first treasure hunting adventure! 1715- Blown far off course, their treasure-laden ship sinking, a crew of Spanish sailors struggles ashore, only to encounter a horror out of their worst nightmares. Dane Maddock and Bones Bonebrake have left the Navy SEALs and set out on a search for the legendary lost treasure fleet. The search takes them to Haiti, where they encounter the forces of a madman bent on finding the treasure in order to fund his maniacal experiments and help him seize the power he craves. But not all their foes are human. Mystery, history, and legend meet as Maddock and Bones scour ancient ruins, plumb the depths of the sea, and come face to face with pure evil in their quest for the Treasure of the Dead. Praise for David Wood and the Dane Maddock Adventures! “Dane and Bones.... Together theyre unstoppable. Rip roaring action from start to finish. Wit and humor throughout. Just one question - how soon until the next one? Because I cant wait.” -Graham Brown, author of Shadows of the Midnight Sun “What an adventure! A great read that provides lots of action, and thoughtful insight as well, into strange realms that are sometimes best left unexplored.” -Paul Kemprecos, author of Cool Blue Tomb and the NUMA Files “A page-turning yarn blending high action, Biblical speculation, ancient secrets, and nasty creatures. Indiana Jones better watch his back!”-Jeremy Robinson, author of SecondWorld “With the thoroughly enjoyable way Mr. Wood has mixed speculative history with our modern day pursuit of truth, he has created a story that thrills and makes one think beyond the boundaries of mere fiction and enter the world of why not?” -David Lynn Golemon, Author of the Event Group series “A twisty tale of adventure and intrigue that never lets up and never lets go!” -Robert Masello, author of The Einstein Prophecy “Let there be no confusion: David Wood is the next Clive Cussler. Once you start reading, you wont be able to stop until the last mystery plays out in the final line.”-Edward G. Talbot, author of 2012: The Fifth World “I like my thrillers with lots of explosions, global locations and a mystery where I learn something new. Wood delivers! Recommended as a fast paced, kick ass read.”-J.F. Penn, author of Desecration
