

Deadlands: Independence Day (The Deadlands Dime Novel Series Book 2)

Ronan and crew are hired by none other than Wyatt Earp and Bat Masterson to keep the law in Dodge City on the Fourth of July. Angry Rebels and drunken mobs are the worst of the deputies' problems, however: the Butcher has come to town! This is the second Dime Novel in the legendary Deadlands series, following the adventures of Ronan Lynch, Bad Luck Betty, and Velvet Van Helder. It contains the fiction only of the original and all new art. These new editions of the Dime Novels do not contain adventure material for the Deadlands Roleplaying Game.
