

## I, Mary (The Eternity Series Book 3)

A girl with something to prove. A ship with endless challenges. Will a life on the water set her free? Mary Crofter has spent her life around ships. She's in love with the sea in an era that keeps girls far away from the deck. Breaking social norms, she joins the crew of a small ship and sets sail for a new life. Eager to prove her mettle to the all-male crew, Mary demands she be treated no differently. She works hard in a world that finds an English civil war brewing and spies around every turn. When she meets a man who offers her a much safer life on dry land, she must choose between the promise of love and the call of the sea. I, Mary is the third installment of the Eternity Series, a saga of seafaring adventures for both teens and adults. If you like strong female characters, immersive historical fiction, and sweet romance, then you'll love Mike Hartner's adventurous tale of the sea. Buy I, Mary today to set sail for an adventure of a lifetime!
