

The second book in the YA Norse Paranormal Romance series, *Desirable Creatures*, is brimming with action, romance, suspense, and heartache, and will have you at the edge of your seat from the very first page until the shocking ending. When Anthony is murdered in cold blood, Sonia has two choices: to stay in mortality and move on with her life, or to travel to Helheim, the realm of the dead, to claim him back. However, the only way Sonia can enter Helheim is by pledging her fifth Huldra gift to her archenemy Maureen. Little does Sonia know, that her gift is crucial in stopping the age-old war between the Huldras, Darkalfars and Lightalfars, and that if she gives it to Maureen, the very gates of Helheim could be opened, allowing the dead to roam the Earth for seven years.
