

## Knights and Castles (Its Fun to Draw)

This instructional volume guides budding artists through each step in drawing their very own knight or castle. Using step-by-step illustrations and easy-to-follow text, readers will be able to confidently create a wonderful medieval scene. After producing the line drawings that lay the basic image, imagination and inspiration is then applied to color the work, creating bold medieval scenes and adventures.

Its time to journey back to medieval times when brave knights in shiny suits of armor gallantly protected castles.
