

Mabel and the Magic Ballet Slippers

Naomi is a young girl when her father loses his job and her family is forced to move to the projects. She reluctantly befriends Mabel, an elderly neighbor. She is sure that Mabel has nothing in common with her - until she learns that she used to dance ballet just like Naomi used to. Join Naomi in this early reader chapter book as she learns to cope through her friendship with Miss Mabel, but also through discipline, character, courage and ballet.
