

Wolfsbane: Aralorn, Book 2

The exciting follow-up to New York Times #1 best-selling author Patricia Briggs Masques features the further adventures of the shapeshifting mercenary Aralorn. Aralorn's dangerous existence has taken her far from her aristocratic roots and kept her from her homeland for more than a decade. Now, she must return home to mourn the death of her father, the Lyon of Lambshold. But when Aralorn and her companion Wolf arrive, they discover that home is gone forever and they must take on an old enemy more sinister than they ever could have imagined. Katherine Kellgren, the voice of Masques and one of Audible's favorite narrators, returns to take listeners on this new adventure. **BONUS AUDIO:** Includes an introduction written and read by author Patricia Briggs.
