

BOB

Within the depths of her eccentric, struggling writer mind, on the pages of her every novel, lies what she believes to be the perfect man. The perfect hero. His name ... Bob. Emily Stevenson dreams, creates, inspires and writes all for the one character she truly feels no man alive could compare. No man alive, that is. All that changes when Emilys fiction world comically collides with reality. Not only does she meet the man who looks, talks, and acts like her Bob, but she falls in love with him. He is her living, breathing, hero. Theres only one problem. Bob isnt living nor breathing at all. Bob is a ghost that only Emily and her eight-year-old daughter can see.
