

James Blond - Stockport Is too Much: James Blonds most dangerous mission yet!

Imagine if James Bond author Ian Fleming had lost several of his marbles and been given a sense of humour along with his action/adventure writing skills and you will get some idea of where Terry Ravenscroft's James Blond Stockport is too Much is coming from. If not going to. Compared to foiling the plans of countless power-hungry villains bent on world domination the bringing to book of the evil Dr Goldnojaws, who only wants to dominate humble Stockport, shouldn't present too much of a problem for James Blond. However in addition to taking on Goldnojaws and his evil sidekick BloJob, the secret agent has to wrestle with a prostate problem, so things aren't as straightforward as he would have liked. To make matters worse Blond Girls Pisa Vass, Divine Bottom, Gloria Snockers and Ava Shag aren't as forthcoming with their favours as he has come to expect. We join the rip-roaring adventure with Goldnojaws, having seized Stockport, making plans to dominate the rest of the world. Can Blond stop him whilst still finding time to have a pee every twenty minutes? And get laid again, once in a while? As gripping as Sean Connery's toupe adhesive, as exciting as Daniel Craig's swimming trunks, James Blond -Stockport is too Much is a bigger page turner than a homosexual king. Just one of many 5 star Amazon Reader reviews - I'd come across Terry Ravenscroft quite recently via an author peer review site, and was delighted to discover how many amusing books he had written. This one lives up to the standard of the others I've seen, and keeps carefully just on the tasteful side of crude - I don't like crudity, sick humour or smut but Terry somehow manages to avoid these things while still dealing with the fundamentals of human existence. And James Blond's spoof credentials don't stop him from reminding us sometimes of the original, which highlights Ravenscroft's skill in humorous

writing. There are even aliens! Janey Fisher James Blond - Stockport is too Much contains some sex scenes and strong language.

He made just 26 of 62 shots a including many dunks a but was only 8 of 32 .
