

Paradox - The Angels Are Here

Two mysterious strangers arrive just in time to help a little girl as she struggles to cope with the death of her father. But are their intentions as innocent as they seem, or is there something else on their agenda? Long ago, in an almost forgotten Realm, a race of fallen Angels called the Grigori clash with a ruling house of Angels - the Bulguardi. Their battle changed events in the Ancient World and the New World forever. A Realm where a year can last centuries and an Ancient magical people still rule, even the immortals face danger. Rising up from their imprisonment underground on Altair, evil has returned and the Grigori are on a destructive path of revenge. When their preferred food source becomes scarce, Earth, a world teeming with humans, becomes their target. Trapped in the middle between the old world and the new, a little girl cursed with horrific visions from the past. From an Ancient world to the new world on Earth, this is a tale of myth and legend, mayhem and magic, birth and death. A tale of families torn apart, souls searching for lost loves, and evil is walking out of the shadows. You can run, but you cannot run forever. Over the centuries, from the time before time, the Grigori were called many things. In Greece, they called them, Vrykolakas. In Romania, Strigoi. In earlier times, there were others. Other blood-sucking demons, that preyed on the innocent. In ancient Babylonia, it was Lilitu and her sistren, who instilled fear among the Babylonians. In the new world, they would go by another name. Vampire. A world that defies logic and reason. A world that may very well be true: Paradox - The Angels Are Here. A story that will indeed leave you asking... Who, When, Where? WHAT! My name is Juliette. Nine hundred years ago, I died. Today, I am alive... This is my story. Paradox - The Angels Are Here
