

Jernigans War

Dix Jernigan was always prepared; even when civilization collapsed due to corrupt politicians, government overspending and Communist greed. What he wasn't prepared for was the total destruction of everyone and everything he cared about. His journey from personal vendetta to becoming a guiding force in the New Constitution Army puts his fighting abilities and survival to the test. Porter Jones had to grow up quickly and learn to survive in a world gone mad. With help he finds along the way, he develops skills to protect and defend his newly adopted family. He joins a group of warriors fighting with the New Constitution Army helping to restore the original US Constitution and defeat America's enemies.

Rather than pacifying the Creeks, white aggression increased Creek hostility and ignited the second phase of the Second Creek War. Following Jernigan's Editorial Reviews. About the Author. Ken is from the Deep South and spent the summers of his Jernigan's Final Battle (Jernigan's War Book 3) Kindle Edition. Posted in Uncategorized Leave a reply.
