

\*\*\*Offensive/Graphic language- Explicit Sexual Situations 18+\*\*\* Weezie & Keenans story from Reviving Haven We all have to be superior at one thing. Well, fellatio is my thing—my forte. I'm blessed because I enjoy the one activity I've perfected. If they gave out awards for puff chores, I'd win the Nobel. Blowing a man is an art form, a skill, one I've spent years refining. My mouth is as talented as Picasso and as rare as the Allnatt Diamond. The truth is I love being down on my knees because I know I have the power to bring you to yours. In that moment, I own you and you'll do anything for that pleasure. I've never desired a relationship or a significant other. It's not in my nature to be monogamous. Variety is the spice of life, and I plan to sample every man I can. Then my fantasy came true, and I got a chance to meet him. Keenan Stone. Gorgeous, rich, famous, and young. The thorn in my side. The pebble in my shoe. The fly in my ointment. It is supposed to be a single night of debauchery. But he is a gentleman. He has morals. He has feelings. Three things I abhor in men I want to blow. Ever been refused in a British accent? For the first time in my life, I am brought to my knees. And it isn't for a BJ!
