

Once a year we put away a day to thank someone special in our lives - our fathers. This book helps you find the words to make your dad or grandfather feel special and know that you value him. Make Fathers Day a day that Dad will remember. Send a card, write a note, or give a toast that will make him smile, laugh, cry, or just be thankful that you appreciate him.

This book contains 85 poems (from two lines to sixteen lines). You can use one poem or take lines from various poems and put them together to form your own unique rhyme. Either way you will find help to convey to your father or grandfather the sentiment that you feel but had trouble putting into words. Make this Fathers Day a special holiday with meaningful words! And you may even find that many of the rhymes are useful for birthdays and other celebrations as well.

Fathers Day is not a religious holiday - but it is a celebration of our fathers! Gifts are great but words should not be overlooked! Write or give a toast to your dad that will mean something special to him! With this book it will be simple to give your dad a special gift - a piece of your heart.
