

Sandy Yau, a psychic investigator for the Psionic Sciences Institute, is examining a series of brutal slayings when she uncovers evidence of a mysterious criminal cult known as the Nethermind, thought to be an urban myth. Sandys enquiries soon attract the attention of Azharoth, a handsome and charismatic demagogue thought to be the Netherminds leader. But before she can reveal her findings, she is brutally murdered. Sandy reawakens inside her own grave, transformed into a vampire. She manages to return to the PSI, but trying to convince her colleagues that she still exists proves more difficult. Even more heartbreaking is that her boyfriend, Jonathan, rejects her completely. Now Sandy must not only come to terms with her new undead condition, but discover why she was changed, and reveal the diabolical plan Azharoth and the Nethermind have planned for the entire human race.
