

Through the machinations of an old enemy, James is summoned to appear before the Royal Court of Cardri. While in Cardri, Ellinwyrd the Archive Custodian aids him in deciphering the riddle discovered in the city of Saragon. Unable to bear the message himself, Ellinwyrd sends a scroll upon which is written a single word, Ironhold. The quest in search of Ironhold leads to the mountainous region in northern Madoc. There he discovers ruins built by the last priests of Morcyth when they fled annihilation by the followers of Dmon-Li, as well as a secret that has been hidden away for centuries. An old friend resurfaces from a place of darkness and new allies join to aid him on his quest. Growing in aptitude and versatility, James encounters his most challenging situations yet! For more information about The Star of Morcyth, or any of the other books written by Brian S. Pratt, visit the authors official website at: www.briansprattbooks.com.
