

Flute Lore, Flute Tales: Artifacts, History, and Stories about the Flute

Explore the flutes four types as they have appeared on most continents since prehistoric times. This book follows the discovery of artifacts and the historical impact of the instrument. Stories are included in many chapters. Myths, legends, and fairytales are re-told as they pertain to a regional flute. Sumer, the ancient Mediterranean world, Africa, India, the Orient, the Americas, and Europe are presented. The last pages cover eminent flautists, women musicians, jazz flutists, and finally, musical groups and performers who have made the traditional and folk instruments popular again.
